Plan Description

The Ameer is an elegant balance of beautiful design and cost-saving simplicity making it an attractive option for builders and homeowners alike. The plan features open living spaces and a side-load garage. The over-sized Master Suite has 10' ceilings and a generous walk-in closet. The master bath includes a free standing tub and enclosed toilet area. Homeowners will love to show off their great room with a cathedral ceiling and wood beams along with beautiful built-in bookshelves. The kitchen includes a large walk-in pantry and an island. A convenient office in the front of the house is a perfect space to get things done from the comfort of your own home.
