## Plan Description

The Bradshaw dog house is a cozy plan that will look great in anybody's backyard. The dog house is the same size as the dog run, giving your furry friend a great amount of space to roam while indoors or out. A person door is located on the rear of this plan so your dog food and toys can be stored inside without allowing your dog to access them on their own. A chain-link fence separates the dog's living quarters from the rest of the dog house. All of the other dogs in the neighborhood will be jealous of this one!
