## Plan Description

Store your RV in style with the Chippewa apartment garage plan. This great garage gives you everything you need, whether you are adding a guest space to your existing house or you want to live where you work. With a beautiful blend of wood garage doors, stone and wood beams, this excellent craftsman exterior has great curb appeal. On the main level, you'll find a great 2 car garage complete with a workshop in the back. Also on the main level, there is an excellent drive through RV garage. The upper level of this garage includes a great apartment layout. The living area flows into the full-sized kitchen that includes an island and a walk-in pantry. The master suite has a large bathroom with his/her vanities and a walk-in closet.
