Plan Description

The Colter Bay plan is a wonderful Modern Cottage style carriage house plan. The outside of this charming home is highlighted by steep rooflines, dark painted brick, wood garage doors, and stucco siding. The bottom level includes an oversized garage with a workshop and a built-in workbench. The mudroom/entry features a bench, lockers, and access to the laundry room. Above the garage, you'll find an amazing 1 bedroom apartment. The main living area is laid out in an open floor plan. The full kitchen includes a large island with a snack bar. The bedroom shares a centrally located bathroom with the main living area.
