Plan Description

The Henrietta house will blow you away with its victorian elegance. The exterior is where the victorian style starts with its large front covered porch with ornate details and a roof with finials. As you enter the home you will be greeted by a stunning 2 story entry. To the right of the entry, you will find a formal dining room with a tray ceiling. On the other side of the entry, you will find a wonderful office with a built-in credenza. Farther into the home, the great room is warmed by a fireplace. The large kitchen includes a walk-in pantry and a large island. A breakfast nook accesses a covered patio off the rear of the home. Upstairs you will find the bedrooms. The massive master suite includes his/her vanities, a soaking tub, a walk-in shower, an enclosed toilet, and a walk-in closet. Bedroom 2 has access to its own bathroom while bedrooms 3 and 4 share a jack and jill bathroom. Back on the main floor, the home's 2 car side load garage accesses the home through a convenient mudroom with a bench and lockers.
