Plan Description

The Oaks Lane plan is a stunning Modern Farmhouse with an excellent floor plan to match! The exterior combines board and batten siding, brick, wood garage doors, and metal roof accents to give this home excellent curb appeal. A covered stoop leads guests into the wonderful entry way with its decorative trayed ceiling. Two bedrooms can be found right off the main entry. Further into the home, the kitchen, great room, and dining room are arranged in a wonderful open layout. The kitchen includes a large island with a snack bar and a walk-in pantry. The great room is warmed by a fireplace that includes built-in bookshelves. The exquisite master suite is arranged on the left side of the home. The master bedroom lies under a decorative trayed ceiling. The master bathroom includes a dual vanity, a walk-in shower, a soaking tub, and a large walk-in closet with access to the laundry room. The home's 2-car garage leads into the home through a convenient mud room.
