Plan Description

Springfield is a beautiful multi-family plan with a traditional style. Each 3 bedroom unit has an excellent open floor plan. Once you enter the home you will be greeted by a wonderful great room that is warmed by a fireplace. The kitchen and dining room flow nicely to keep with the open concept. The kitchen includes a large work island and a pantry. The master suite and secondary bedrooms are separated by the homes living space to preserve privacy for the homeowners. The homes 2 car garage accesses the home through a functional mus room complete with a bench.
