Plan Description

The Table Rock plan is an amazing barndominium that combines a huge garage space with a beautiful home to give you the best of both worlds. Attached to the whopping 3570 sq ft garage is a beautiful home with a loft level and soaring ceiling. Just inside the entryway, you'll notice the wide-open floor plan. The dining, kitchen, and great room lie under a soaring cathedral ceiling. The kitchen includes a snack bar and a large walk-in pantry. The master bedroom is conveniently located on the main level for easy access and includes his/her vanities and a walk-in closet. Another bedroom can be found on the main floor that shares a bathroom with the main living space. The upstairs loft area looks down over the main living space under the cathedral ceiling and includes 2 additional bedrooms.
